CHX brings **ALGOTEX**'s iconic quality to the height of cutting-edge excellence.

Innovation and design come together in a reliable, stylish body, with an exclusive and attractive aesthetic.

CHX combines the guarantee of the best results with an easier and ergonomic user-experience.

CHX is the fastest HP plotter on the market: reliable, high-performing, innovative.

CHX holds the efficiency of an established technology in a smart, professional plotter, taking advantage of the newest technical innovation: maximum fluidity and quietness, unprecedented printing speed, increased connection capability, new free paper feed system.

CHX is the vanguard of stand-alone plotters, featuring an integrated display for management and real-time diagnostics.
